Trust.

Subject: Letter of gratitude

Dear Madam,

Most humbly it is stated that your timely financial assistance in my undergraduate medical career really helped me out in very difficult moments.

I cope with expenditures of books and hostels because of your trust assistance.

I therefore appreciate your help with poor and needy students.  
May Allah keep you happy.

Yours obediently

Name Jubirah Alqam.

Class Final year MBBS  
KMC, 2011.
