Subject (Letter of Thanks)

Sir,

Most respectfully I beg to say that I am very thankful to you that you have supported us in our student life. Without your support it was very difficult for us to keep continuing our study because my father is a P.T.C teacher and in the area all brothers are under studying so without your support it was very difficult for my family to support us. So I am very thankful to you for your co-operation in our study.

Yours obediently
