I am highly thankful to your esteemed & kind authority who has grant me honour to be a part of this exemplary foundation.

When I became a scholar of Rizwan foundation, I was facing great difficulties in my career. At that time I prayed to God to help me from his resources & I believe this is a special kindness from God.

I am highly thankful to all the staff & the donors of Rizwan Ullah Khan Shaheed foundation for helping us & all the poor & deserving students like us.

Thanking you from the core of my heart & praying to God for your success.
